

ANJANI MASHELKAR FOUNDATION INTERNSHIP

Introduction

The Anjani Mashelkar Foundation (AMF) (mashelkarfoundation.org) was established by Dr R A Mashelkar (www.mashelkar.com) to create and propel an inclusive innovation movement in India. Inclusive innovation in this context means including the excluded population through high technology yet affordable innovative products and services. The flagship programme of the foundation is the Anjani Mashelkar Inclusive Innovation Award (AMIIA).

AMF Internship

The internship programme of the foundation will give unique opportunities to young professionals to contribute to this important movement. They will not only learn about this new emerging area but also strengthen the objectives and execution of the foundation's strategy and activities.

Assignment: Develop AMF strategy and operating plan

The foundation will operate on the principles that Dr Mashelkar passionately champions- More from less for More (MLM). What this means is that the foundation's strategy will have to be developed to have maximum impact with less resources for more and more people. The programmes and their execution will have to be designed and developed in unique ways and with approaches that generate maximum value.

Scope and focus of the assignment:

- Benchmark similar organizations and foundations and identify gaps to be bridged.
- Design and suggest a basket of interventions and programmes to achieve foundation's objectives in the MLM way.
- Suggest operating models of smart partnerships, fund raising and implementation structures and work streams.
- Suggest outreach and promotion of foundation including digital marketing approaches.
- Draw up a budget framework for the foundation
- Suggest an implementation plan based on the shortlisted programmes

Qualifications and Requirements:

The foundation is seeking two interns to work on the above assignment.

- Pursuing post-graduate degree at a leading relevant university or institute (initially from India)
- Keen interest in social/inclusive innovation and entrepreneurship
- Should be available to work full-time during internship period

Stipend: Interns shall be paid a stipend of Rs 20,000 per month

Duration: 3 to 6 months depending on the availability of the interns.

Location: Due to COVID-19 restrictions, this year's internship will be virtual. Interns need to work remotely from their location and have access to a computer and an internet connection.
